# What happens when...

In pairs, think up 3 obstacles you might encounter during your project.

# What happens when...

For one of your obstacles, come up with as many ways as possible that a person might deal with this obstacle.

# What happens when...

“Tell us about a time you overcame a challenge when working on a project...”

Which of the strategies do you want to be able to talk about?

# What happens when...

...you have an opportunity to model behaviours that will help you find employment soon?

# Problem Solving: a cheat sheet

- ▶ Understand the problem
- ▶ Plan your attack
- ▶ Break it down
- ▶ Stuck? -debug, BBBB
- ▶ Practice!
